KURWONGBAH STATE SCHOOL – ATTENDANCE POLICY

Rationale
All schools in Queensland are committed to providing safe and supportive learning environments for all students which address their educational needs.

Kurwongbah State School expects that all students will attend the educational program every school day.

Kurwongbah State School's Attendance Policy aims to ensure all students are given the best opportunity to learn by outlining the responsibilities of the school, parents and students in managing attendance issues.

School community beliefs about the importance of attending school
It is important that students, staff and parents/carers have a shared understanding of the importance of attending school.

Kurwongbah State School

- is committed to promoting the key messages of Every Day Counts
- believes all children should be enrolled at school and attend school all day on every school day unless the parent has a reasonable excuse
- monitors, communicates and implements strategies to improve regular school attendance
- believes truanting can place a student in unsafe situations and impact on their future employability and life choices
- believes attendance at school is the responsibility of everyone in the community.

Responsibilities
School responsibilities:

- Monitor and identify student absences as outlined in SMS-PR-036: Roll Marking in State Schools
- Follow up absences quickly and address absence issues with parents and carers
- Follow Education Qld policy and procedures for enforcing enrolment and attendance in SMS-PR-043: Managing Student Absences and Enforcing Enrolment and Attendance at State Schools
**Student responsibilities:**

- Attend school each day unless there is an acceptable reason for an absence
- Make every day count in their learning

**Parent responsibilities:**

- Ensure that their child is enrolled at school and regularly attends the educational program provided at Kurwongbah State School
- Ensure that their child arrives at school on time each day
- Contact the school prior to any planned absence
- Provide an explanation (preferably in writing), if not beforehand then within 2 days of the child’s return to school, each time their child is absent from school. This may take the form of a medical certificate, written explanation or a verbal explanation to the school through either a phone call or visit to the school.

**Strategies**

At Kurwongbah State School we promote 100% attendance by:

- Implementation of the School Attendance Policy
- Development of a safe and supportive school environment that promotes positive relationships, including the implementation of programs to develop social skills (Friends For Life, School Chaplain, Buddy classes, Care Groups) and to provide support mechanisms for families (Guidance Officer, Queensland Police, Department of Child Safety, CYMHS, MYCP)
- Consistently recording and following up unexplained student absences
- Monitoring of the school’s attendance data to identify absenteeism trends and individual students with high levels of absenteeism
- Promote high expectations for school attendance to the school community by communicating that higher school attendance is associated with higher student achievement (school newsletter, parent meetings, school website)

**Responses to absences**

When a student is absent without explanation or a pattern of absences has been identified, Kurwongbah State School will take the following actions:
The parent or carer will be contacted by the class teacher (by a note or telephone call) to determine if there is a reasonable excuse for the absence/s (Director General’s Guidelines ss176 and 239 of the Education (General Provisions) Act 2006).

Records of contact with parents and carers regarding unexplained absences will be recorded in OneSchool.

If, after 3 weeks, the student is still not attending school regularly, the school will follow the processes for managing student absences as outlined in the Education (General Provisions) Act 2006 – SMS-PR-043. This includes the reporting of persistent and/or unexplained absences to Education Queensland, The Queensland Police Service and the Department of Child Safety.
